About us...

Brahma Valley Campus

Brahma Valley educational campus spans across approximately 45 acres of land situated at the base of Anjaneri, along Trimbak road. Anjaneri hold significance as the birthplace of Lord Hanumanji and is in close proximity to the Trimbakeshwar temple, enhancing the campus with a sacred and serene ambiance. Our founder president Shri Rajaramji Pangavhane (Patil), hailing from an agricultural background and actively involved in politics, envisions establishing multiple educational institutions within the campus to provide education to underprivileged students, particularly those from rural areas. While NGSPM's campus, initiated in 2000, currently hosts a variety of educational institutional, there are plans and aspirations to introduce additional colleges specializing in technical and other disciplines in the near future. The students are anticipated to greatly appreciate the topnotch facilities and pleasant surroundings offered by the campus.

Vision

Our college will be recognized in the field of pharmaceutical education for the development of future Pharmacist, Scientist, achievers having knowledge, Skills and attitudes towards pharmacy profession and should cater service to society.

Mission

For the transformation of our vision into Reality College have following mission :

To impart education to students to become the best professional minds and entrepreneurs of today who will lead their activity successfully.

To provide an environment which fastens continuous improvement and innovation with desired support and facilities to enhance students in learning and faculty effectiveness.

To provide facilities for personality grooming, physical fitness and strong sense of social and environment responsibility.
